RCRA ID No.: MOR000548743

Dear Mr. Moler:

Letter of Warning/Request for Information

On June 4, 2015, a representative of the U.S. Environmental Protection Agency (EPA) inspected your facility. The inspection was conducted under the authority of Section 3007 of the Resource Conservation and Recovery Act (RCRA).

My staff has reviewed the inspection report and determined that violations of RCRA were documented. We are requesting additional information regarding your facility's compliance status. Enclosed is a list of violations, a list of questions and/or requested information, and instructions to be used in providing your response. Please carefully read and follow these instructions. Your response to this request in accordance with the instructions is required by Section 3007 of RCRA and substantial penalties may result from not complying. Please note that the EPA reserves its right to pursue appropriate enforcement actions, including penalties, for violations discovered as a result of the inspection, regardless of whether the violations were subsequently corrected.

Printed on Recycled Paper

Within thirty (30) calendar days of receiving this letter, please mail your response to: Kevin D. Snowden, AWMD/WEMM, U.S. Environmental Protection Agency, 11201 Renner Boulevard, Lenexa, Kansas, 66219. To request an extension of the time limit, follow the instructions in the enclosure. Please direct all questions concerning this letter to Mr. Snowden, of my staff, at (913) 551-7022, or by email at [snowden.kevin@epa.gov](mailto:snowden.kevin@epa.gov).

Sincerely,

Donald Toensing

**List of Violations  
Chem Supply Inc.  
Springfield, Missouri  
RCRA ID No. MOR000548743**

1. Title 10 Code of State Regulations (10 CSR) 25-5.262(1) incorporating Title 40 Code of Federal Regulations (40 CFR) 262.11 – Failure to conduct hazardous waste determinations on old and/or off-specification chemicals identified in Attachment 10 of the June 4, 2015 RCRA Compliance Evaluation Inspection (CEI) report.
2. 10 CSR 25-5.262(1) incorporating 40 CFR 265.31 – Failure to operate the facility to minimize the possibility of a fire, explosion, or any unplanned sudden or non-sudden release of hazardous waste or hazardous waste constituents to air, soil, or surface water which could threaten human health or the environment.

Requested Information  
Chem Supply Inc.  
Springfield, Missouri  
RCRA ID No. MOR000548743

1. Please identify all persons responding to the questions in this letter. Please include names, titles, and telephone numbers, if different from the facility's telephone number.
2. In reference to Violation No. 1, please provide the following information concerning your hazardous waste determination on each waste stream:
  - a. a determination of whether or not the waste has been excluded from regulation under 40 CFR Part 261.4;
  - b. a determination of whether or not the waste has been listed as a hazardous waste in Subpart D of 40 CFR Part 261. **If the waste is a listed hazardous waste, please provide the listed waste code(s) in your response;** and
  - c. a determination of whether or not the waste is identified in 40 CFR Part 261 Subpart C. To determine whether the waste exhibits any of the hazardous characteristics in Subpart C, the waste may need to be analyzed using one of the methods found in Subpart C of 40 CFR Part 261, or by applying knowledge of the waste characteristics based upon the materials or processes used. Any laboratory analyses used to make this determination must be provided to EPA as well as a detailed description as to how each sample was taken. **If the waste is a characteristic hazardous waste, please provide the characteristic waste code(s) in your response.**
  - d. If your facility elects to apply knowledge to make a waste determination of the waste streams identified above, you must provide a detailed explanation and your reasoning regarding the basis for this determination. **Also, if you apply knowledge to make the waste determination, please include all hazardous waste codes for the waste in your response.**
  - e. For each waste stream determined to be a hazardous waste, please provide the amount of waste that your facility has in storage or has shipped offsite.
  - f. Please provide manifests, bills of lading, receipts, etc., for each waste stream that has been shipped offsite.
3. In reference to Violation No. 2, please provide photographs showing that the chemical/waste released from broken and/or torn bags observed in your waste storage area during the June 4, 2015 inspection has been cleaned up.

### 3007 RESPONSE INSTRUCTIONS

- Identify the Person(s) responding to this request on your behalf.
- Address each numbered item separately, and precede each answer with the number of the item to which it responds.
- For each numbered item, identify all documents consulted, examined, or referred to in the preparation of the answer, or that contain information responsive to the requested item. Provide true, accurate, and legible copies of all such documents. (If information responsive to an item is available but there are no relevant source documents, you must still provide the information.)
- For each document provided, indicate on the document (or in some similar manner) the number of the item to which it responds.
- For each numbered item, identify all persons consulted in the preparation of the answer.
- For purposes of this request, the term "you" or "your" refers to the company, corporation and any officer, principal, agent employee, or any other person(s) associated in any capacity.
- If information responsive to a requested item is not in your possession, identify the person(s) from whom the information may be obtained.
- If information that is not known or available at the time you make your response later becomes known or available to you, you must supplement your response.
- If, at any time after you submit your response, you find that any part of the information you submitted is incomplete, false, or misrepresents the truth, you must notify the EPA immediately.
- You must provide the requested information even though you consider it confidential information or trade secrets. If you want to make a confidentiality claim covering part or all of the information submitted, identify the material with words such as "trade secret," "proprietary," or "company confidential."
- The EPA will disclose this information only to the extent and by the means described in 40 CFR Part 2, Subpart B., provided that it qualifies as confidential business information.
- A request for an extension to the time limit for responding must be in writing and must be postmarked within five (5) calendar days of receipt of this information request. Address it to the person identified in the cover letter to receive your response.
- Copies of the Code of Federal Regulations may be obtained from the U.S. Government Bookstores or on the Internet at [www.epa.gov/epahome/cfr40.htm](http://www.epa.gov/epahome/cfr40.htm).
- This request for information is not subject to the approval requirements of the Paperwork Reduction Act of 1980.
- The EPA encourages you to conserve resources. Suggested methods include use of recycled paper, printing on both sides (duplex printing), and when possible submitting documents electronically (i.e., email or compact discs). If hard copy submittals are necessary, please do not submit documents in binders.

Not responding to this information request within the stated time limit and in accordance with these instructions may subject your facility to an enforcement action which could include the imposition of penalties of up to \$37,500 per violation, per day of continued noncompliance. Providing false, fictitious, or fraudulent statements or representations could lead to criminal penalties.
